

# MEDICAL TREATMENT LOG

Purpose of this log is to keep a permanent record of all medicine dispensed during the course of a 4-H event or activity. All medical treatment should be administered within the Safety Guidelines set forth by Georgia 4-H program and within the training and certification of the caregiver.

Date	Time	4-H'ers Name	County	Complaint	Treatment	Administered By	How was Permission Obtained?

**Note:** Administered by indicates who treated the 4-H'er & may be more than one person  
How was permission obtained must be completed with either MIRF, medical professional prescribed or Phone Call to Parent/Guardian.
